

CONFIRMATION OF NON-COMMERCIAL USE FORM

Imanis products purchased with our Standard or Academic/Non-Profit Pricing come with a single-lab-use, non-commercial license, which limits their use to internal research only. Imanis products cannot be shared or distributed to other laboratories or institutes and they are NOT to be used for commercial purposes, including but not limited to manufacturing, paid contract research services, therapeutic, and diagnostic uses. The complete details of the Imanis terms-of-use are fully outlined in our Material Transfer Agreement (MTA).

The following information is collected as a record of agreement with our non-commercial terms-of-use. This form must be completed before your order can be fulfilled.

Please contact us (support@imanislife.com) if you wish to use any of our products for commercial purposes. We would be happy to negotiate a commercial use license with you.
